

INTUIT PSYCHIC COURSE

COURSE INFORMATION

Professional Intuit Psychic Practitioner

*Without realizing it, working with psychic tools shifts us into your head space as we draw on our mind-memory. This happens naturally as there is a need to draw on certain areas of the brain to remember the meanings of the cards - their symbols, crystals, or technical aspects of the tool. It's simply how our mind operates. As soon as you go into this energy you've gently stepped away from the divine energetic connection. The **Intuit Psychic** course provides the skills to organically stay in the heart space while connecting to energy in many forms including energy centers, auras, guides, and soul-2-soul connections.*

*During the **Intuit Psychic** course, you will learn how to step away from your spiritual ego and fully surrender to Spirit. No longer will you need psychic tools to read, embracing your inner wisdom, soul, and higher self as you trust your connection with your Spirit Guides, soul, and the entire spiritual team, during the reading process.*

Testimonials

I have recently completed Bronwyn's psychic reading course. As a beginner on my spiritual path, I found this course very interesting. It has taken me from the first steps to actually doing a reading for someone. Bronwyn explains all that you need to know with lots of exercises to help awaken your inner soul. Bronwyn has a beautiful down-to-earth personality who is there to answer all your questions, no matter how big or small, or even silly they may be.

I definitely recommend this course as it sets the steps in the right direction whether you are just starting out or need to fine-tune your spiritual journey.

Lyndal Rapattoni

I completed this course as a one-on-one student to allow me to heal and grow in private. I've done similar courses but what's different about this course is Bronwyn meets you where you are on your journey. She makes you feel safe and supported and I know whatever I discuss with her is confidential.

This course allows me to look at where I need to grow, what's holding me back, and how to move forward by facing what I need to face. Understand that I am in control of my life including my happiness and success.

I would recommend this course to anyone looking to understand themselves better, looking for practical exercises and steps to create change in their life.

Karen Richardson

For over 20 years, I was seeking an expert to guide me through understanding and developing my psychic abilities. Yes, there are a handful of noteworthy people who might fit the bill but nothing compares to Bronwyn. She is the real deal and a straight shooter...her knowledge and experience are above the rest. In a short period of time, Bronwyn has given me the power to gain crucial insight into the spirit world and my own intuition. I highly recommend Bronwyn to anyone on a spiritual journey.
