Testimonials

I enrolled in Bronwyn's Eternal Soul mediumship development course with the personal coaching option. What an amazing opportunity for my development that turned out to be! This course contains 8 modules that are organized in sequence from the basic concepts and techniques to more demanding skills. Each module builds on the previous one incrementally to make your mediumship readings more meaningful for the sitter. Bronwyn uses a range of media within each module to convey the information, including written text, images and diagrams to illustrate concepts, audio files of instructions and meditations, and videos to see her explaining concepts and techniques to you. She includes relevant exercises to help you practice the skills. You also get a membership of the Facebook student group where you can exchange ideas and seek partners to swap readings. I met some really nice people through that group.

I especially looked forward to the personal coaching with Bronwyn after I completed each model. During the coaching session, Bronwyn would give me detailed feedback on my mediumship readings that I had recorded on Zoom and submitted to her. She also answered all sorts of questions I had about the content in the modules, and anything else that came up for me. I highly recommend Bronwyn and her courses for anyone wishing to improve their mediumship skills. I have learnt so much about practicing mediumship and about myself as a budding medium.

Bronwyn is an authentic, practicing medium with real-world experience. She is a warm person with great energy, a good sense of humour, and a sincere commitment to Spirit.

Go on. Enrol. **You won't regret it.**

You can see and feel the passion Bronwyn has for this subject. Bronwyn has a peaceful yet confident and strong passion for the field had me engaged with excitement. I actually amazed myself when doing the practice readings. The way Bronwyn shows me how to get the information is different from what I had encountered before. I loved the fact I can listen and read again and again to anything I was a little unsure about... Bronwyn has really boosted my confidence to practice and feels at ease... absolutely loved the message at the end and will definitely be coming back to it again.

Greg Biggins

In every section of this course, I've learned something new. Bronwyn is articulate and engaging and makes the topics easy to understand. Delivered with compassion. Highly recommend this course for anyone looking to understand mediumship and the details of how spirit communication takes place. I've taken classes from others, but Bronwyn does an amazing job explaining how and why messages come from spirit. The way she breaks down the subtle techniques in understanding the energy involved is so helpful! This course is well organized and I recommend joining the Facebook group after to further support from Bronwyn and other students on their spiritual journey.

I am so grateful I have found this course.
